Prepare for your whole career & all of your vocations...

...not just your first job.

Concordia University Irvine's signature curriculum, Enduring Questions & Ideas (Q&I, for short), makes our education one of the most meaningful, comprehensive, and practically applicable in the country. CUI students rank in the top 10% nationally on almost every indicator of intellectual engagement.

Q&I is distinctive because it produces critical thinkers—the kind of thinking you can take to work. Employers also want communicators, problem-solvers, and team players. What kind of education can offer all of that? Ours does.

Visit cui.edu/qi to learn more.

"One of the people involved in my interview and hiring process was very familiar with the Concordia University System. *Never underestimate the power of having Concordia on your résumé.*"

—Jon Steele '08, senior technical account manager, Amazon Web Services

We take & seriously.

Concordia University Irvine offers an experience for your whole self—your body & your soul, your mind & your heart.

Your educational experience will be challenging & diverse. Our faculty & staff are committed mentors who learn & live alongside students.

Our Orange County location in Irvine means that you can put your ideas into practice through internships at leading tech companies & embrace the beauty of life by playing Frisbee on the beach with friends.

As a community grounded in the Lutheran faith, our response to God's grace is a cornerstone of our life together as a Christian academic community.

We offer a wide variety of student clubs, groups, and activities for you to choose from. Clubs and organizations on campus focus on everything from organic gardening to e-sports to Latin American culture, but you're free to start your own.

Visit **cui.edu/life** to learn more.

140+

MAJORS, MINORS & PROGRAMS

We know your interests are many and varied. Luckily, so are our academic programs.

cui.edu/majors

STUDY ABROAD

We send students to study abroad programs on six continents—sometimes all in one semester.

cui.edu/studyabroad

75+

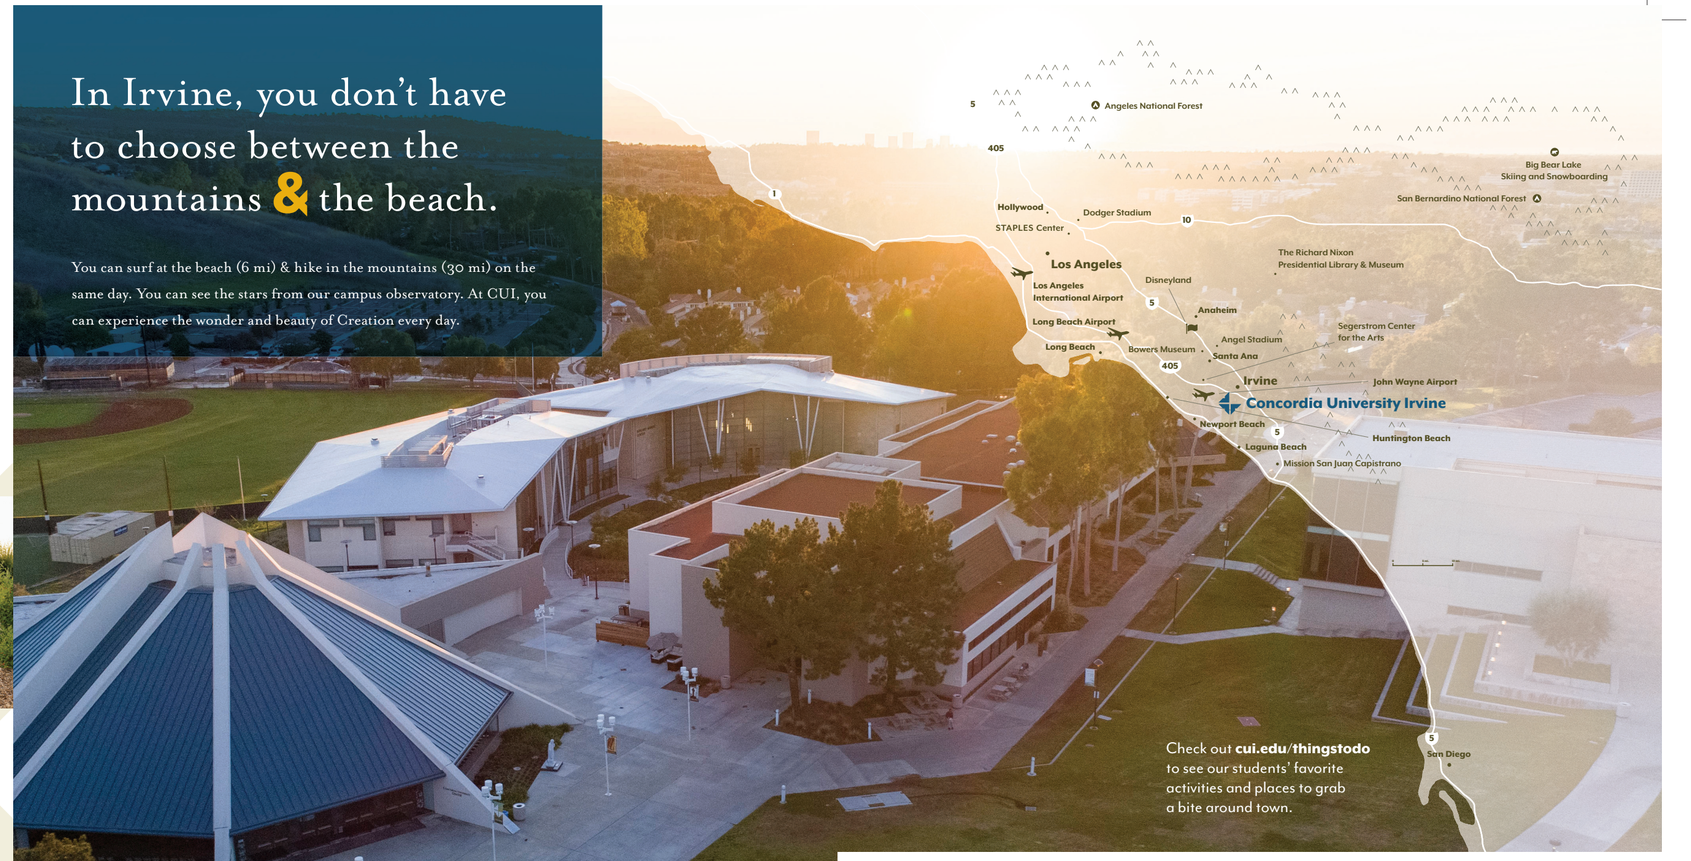
ATHLETIC TEAMS, CLUBS & GROUPS

We have 20 teams that compete in NCAA DII, plus club teams, intramurals, and more than 50 active student groups and clubs.

cui.edu/life

In Irvine, you don't have to choose between the mountains & the beach.

You can surf at the beach (6 mi) & hike in the mountains (30 mi) on the same day. You can see the stars from our campus observatory. At CUI, you can experience the wonder and beauty of Creation every day.



Check out **cui.edu/thingstodo** to see our students' favorite activities and places to grab a bite around town.

LAND OF OPPORTUNITY

Orange County is home to a diverse array of businesses that could be perfect for your internship, like Blizzard Entertainment, Oakley, TravisMathew, and the Make-A-Wish Foundation. No matter your major, we'll help you find the right internship so you can gain the experience that moves you to the head of the class.
